HOW IT WORKS

Print, punch & tie

No special tools needed. Ten minutes and you're done.

1

Print at actual size

In your print settings, choose "Actual size" or "100%" (not "Fit to page"). Each tag is about 3 inches across and each wine charm is 1 inch.

2

Use cardstock

White or cream cardstock (65 to 110 lb) makes sturdy tags. Regular paper works in a pinch.

3

Cut on the gray circle

Scissors work fine. A 3 inch circle punch makes it even faster.

4

Punch the dotted hole

Use a standard 1/4 inch hole punch on the dotted circle at the top of each tag.

5

Write, tie & gift

Fill in To and From, then tie on with jute twine, yarn or ribbon.

You'll need

- Printer & cardstock
- Scissors or a circle punch
- 1/4 inch hole punch
- Twine, yarn or ribbon
- Pen for the To and From

Wine charm tips

Cut out each 1 inch charm, punch a small hole at the top and slip it onto a wine charm ring, or tie it to the stem with a thin ribbon. Pair them with a crocheted wine glass cover for an easy hostess gift.
